Progress for our National Rally

Our recent trip to the Australian Rural Education Centre (AREC) at Mudgee proved to be beneficial. We were able to achieve agreements from the AREC committee regarding some requirements and the visit gave us another opportunity to reassess our plans for the use of the AREC.

All sites had been marked out due to a recent 'Small Farms Field Days' event. This gave us a good idea of how amazing it would look in 2025. All the sites are spacious and flat and all will have water. There is an enormous area that will be used for an arrival area. This area will alleviate any congestion on Ulan Road and there are also some very large areas that can be utilized for games.

Registrations

The 19th National Caravan Committee would like to encourage all NSW members to sign up and help make this event a success for their state. Unfortunately, some NSW members have never experienced the great times at national rallies.

Registering online is easy. Please open our 19th National Rally website and select the REGISTRATIONS tab. Then click on the **Register Online**.

It appears that new registrations for the National Rally are not producing emails to members. We will now ensure that we follow through by sending you an email. There are currently numerous registrations that have been taken at Barmera and no deposits have been received. If anyone hasn't received information about their rally ID code, please contact Bev (Registrar) on 0411 214 272. If Bev doesn't answer, please leave a message or send her a text.

What happens at National Rallies?

For those of you who have never been to a national rally, this is your chance to enjoy a variety of daytime events and nine nights of live entertainment. The added advantage is that after a night out, there is no need to drive back home. All the entertainment is at your doorstep. Relax, enjoy the company of fellow travellers and make memories.

Future newsletters will give you more information. Please note that this information will also be added to our website - 19thnationalcaravanrally.org.au If you familiarise yourself with the website, it may be easier to find previous information.

Disc Bowls Competition - The disc bowls rules have been added to our website. Clubs now have two years to select their best couple to compete and represent their club for the national title (no state play-offs will occur).

Craft - The nursing homes in Mudgee advised that they create their own blankets but would appreciate some shawls for their clients. Two patterns (one knitted and one crocheted) have been added to the website.

To find the rules for Disc Bowls and the new craft patterns, simply open our 19th National Rally website 19thnationalcaravanrally.org.au and select **Rally Notices**
